Welcome to The Adventure Club!

Motto: *Parents' Partner Children's Choice*

Our History

Child Care Consultant Services, Inc. represents a combined field experience of over 35 years in the fields of early childhood education and child daycare. The corporation was formed in 1989 as a response to community needs, including employers, government entities, parents, and children for enhanced childcare options in this area.

Child Care Consultant Services, Inc. then established a new concept to school age childcare care. So, The Adventure Club was formed! The Adventure Club provides a safe, familiar, fun program for before & after school at our own Adventure Club Center location in Christiansburg for 3 schools in the New River Valley.

The Adventure Club continues to respond to community needs by growing and expanding. We now have two affiliated full time childcare centers that serve families of children ages 6 weeks through 5 years, who can then transition directly into The Adventure Club!

Would you like to see us in action? We would love for you to visit The Adventure Club. Just call our Main Office at 540-382-3783 with the site location that you would like to visit to set up a time to meet us and see what we do best!

Our Mission

To live up to our name! School age children need a creative, stimulating, active environment. We strive to provide superior, affordable childcare. We want to make sure every child has the opportunity to become a part of The Adventure Club Family!

We continue our legacy to remain “Parents’ Partner and Children’s Choice” by:

- Hiring amazing staff members. We start by hiring individuals who show a passion for teaching and nurturing the minds of children. We ensure that they have extensive childcare experience, and thoroughly train them before they’re considered permanent staff members.
- Providing a safe, clean, stimulating environment.
- Keeping our children busy! We have a calm reading and homework time as well as planned group games, crafts, and visitors.

Philosophy

We are all children of varying ages. We all deserve to feel cared for, supported, educated, encouraged, nurtured, and kept from harm’s way.

We strive to be the best at all of these things for the children in our program and for one another, including our colleagues, parents, and children.

We are a team!

Safety

Upon arrival and/or departure, you MUST escort your child in or out of the building and check them in or out of our system. This is a licensing requirement. Every school site has a tablet with our software system loaded onto it. Childcare SEER stores contact and child information and issues each parent/guardian a Kiosk PIN available to each parent within their APP.

A head count of the attending children is done several times throughout the day.

If one of your listed contacts comes to pick your child up and our staff does not recognize that person, **they will have to show their ID.** This will be cross-referenced with our system to ensure that each child stays safe!

What is The Adventure Club & Why is it Different?

The Adventure Club has been operating since 1989 inside the elementary public school system. Children feel a great level of comfort by seeing the same friendly Adventure Club staff each day. We offer flat discounted weekly rates with options for both before and after school, and flexible hourly rates to use when you need them most! We operate on most teacher workdays, inclement weather days (when able), planned holiday closings, and Winter Break and Spring Break within the semester.

We provide: snacks, homework time, team building games, arts & crafts, and so much more.

Virginia Childcare Licensing Standards ~ What You Should Know!

Our Adventure Club Center is held to very high standards, as we are State Licensed for children ages 5-12 years old! When considering who will take care of your child, keep in mind that not all childcare providers are state licensed, and it's very important that you educate yourself about the difference between "Licensed" and "Non-Licensed" providers. Licensing standards mandated for our facilities include, but are not limited to:

- Background Investigation & Fingerprint checks on every employee before permanent hire.
- Advertisement that is straightforward and not misleading or deceptive.
- Verification of children's birth certificates; assist with locating missing children.
- Liability insurance for bodily injury meeting certain minimum requirements.
- Un-announced state inspections to ensure activities, services, and facility are conducive with the safety and wellbeing of your child.
- HIPPA guidelines protecting your child's personal information
- Meeting minimum educational requirements for all site managers/directors to include a high school diploma, associate degree, endorsements, BA in childcare and/or related field, or at least 48 semester hours from accredited college or university.
- MAT (medication administration training) & CPR (cardiopulmonary resuscitation) Certified.

The Adventure Club also maintains specific policies & procedures that are strictly upheld to include:

- Monthly staff meetings that include training & current events.
- Advanced curriculum activities that are fun for the children, while offering educational value
- Open door policy: we want families to know that they can always call or come to us with concerns or praises anytime during our business hours. We are here to serve you!

What About Full Days of Care, Winter & Spring Break?

We are very excited to announce that all full days of care as well as Winter & Spring Break are hosted at **The Adventure Club Main Location ~ 77 Scattergood Drive, Christiansburg.**

This will be your child's fun filled destination for most Teacher Workdays, Inclement Weather Days (when able), Holidays, and Winter and Spring Break within the semester.

(Non-School Day's and Winter & Spring Break, are only with reservation by Parent Portal!)

Daily Add-on Non School-Day rate: \$30 per child, each day

Winter & Spring Break rate: \$195 per child, weekly – Thursday BEFORE break begins.
(5% discount for siblings)

You will need to pack your child a picnic lunch with an ice pack.

We are a PEANUT/TREE NUT FREE ZONE!

The Adventure Club does not allow electronics while in the program.

We will have plenty of activities to keep your child engaged without the need for electronics or toys from home.

Chromebooks are allowed during scheduled times of remote learning.

Upon picking up your child, please be prepared to bring your driver's license into the building with you. Our staff may not immediately recognize you.

This is a safety precaution that is greatly appreciated.

Our Expectations of The Adventure Club Children

7 Expectations of The Adventure Club Children

1. Treat others the way you would like to be treated-we have a Bully Free Zone!
2. Listen to the teacher the first-time directions are given.
3. Respect everyone's personal space.
4. Share with others and take turns.
5. Use inside voices when inside, playground voices are for outside.
6. Use "walking" feet inside.
7. Always do your best! Do what is right, not what is easy.

Please review these expectations with your child often! If we are all on the same page, we can work together to solve problems before they start. If children adhere to these expectations they will not have any reason to be "written up" by our staff members!

What happens if my child receives a behavior write up?

Level 1 Behavior Examples: Name calling, screaming, not following directions, defiance, etc.

- This level of behavior is handled by documenting the incident and reviewing with parent.
- If a ***minimum of 5*** L1 write-ups occur within a 2-week period, there will be a written warning and a meeting with the parent.
- If a ***an additional 2*** L1 write-ups occur within *the same 2-week period*, there will be a second written warning and meeting with the parent.
- If after the second warning any additional L1 write-ups occur, an immediate ***1-day suspension*** will be given.

Level 2 Behavior Examples: Includes level 1 behavior and spitting, throwing objects, damaging property, etc.

- This level of behavior is handled by documenting the incident and reviewing with parent.
- If a ***minimum of 3*** L2 write-ups occur within a 2-week period, there will be a written warning of possible suspension and a meeting with the parent.
- If a ***an additional 2*** L2 write-ups occur within *the same 2-week period*, a second written warning with an immediate ***2-day suspension*** will be given.

Level 3 Behavior Examples: Includes level 1 & 2 behaviors and causing/threatening harm to themselves, a friend, or staff member, running away, etc.

- ***1st Level 3 Behavior Write-Up:*** The parent will be called to pick their child up within 30 min's unless the occurrence was in the last hour of the day. A written warning and immediate 3 days suspension will follow, and the manager and/or Director will discuss a corrective plan of action with the parent before the child's return.
- ***2nd Level 3 Behavior Write-Up:*** At this time, the manager and/or Director may decide to separate care.

At any level of behavior, The Adventure Club management team reserves the right to separate care from a child/family if our management team feels it is in the best interest of other children, families, and staff within the program!

What happens when a child is misbehaving?

What happens when a child exhibits unwanted behavior?

The following are a list of steps that our staff takes:

Step #1: Inform another staff member of what has happened so you may devote more time to problem solving with the child.

Step #2: Have the child “cool off” in an area away from the other children. Inform the child that after a few cool down minutes they should raise their hand when they are ready to talk about what happened.

Step #3: Listen to the child and problem solve.

Step #4: Fill out the Behavior Sheet and hand it to the Site Manager. The Site Manager is the only staff member who should go over Behavior Sheets with a parent.

If the child WILL NOT sit out to "cool off" and continues defiance:

Step #5: Give them a physical task. Help pick up trash, sweep the floor, etc.

Step #6: Fill out the Behavior Form and hand it to the Site Manager. Again, the Site Manager is the only staff member who should go over Behavior Sheets with a parent.

If the child WILL NOT comply with a physical task:

Step #7: If the child continues to be defiant and the Site Manager and other staff have exhausted all options, the Site Manager will call the parent. If the child is being physical with other children and endangering them or themselves, the following steps will be taken:

1. The Site Manager will stay with the child exhibiting unwanted behavior
2. The other staff member(s) will take the other children to a separate room or outside.
3. The Site Manager will then call the child's parent as soon as they are physically able.

To Recap, if a child exhibits unwanted behavior:

- 1st try the “cool down time”
- 2nd try to give them something physical to do
- 3rd inform the Site Manager for a possible parent phone call

A very rare case would result in: Child Restraint known as “The Bear Hug”

If a child is physically hurting another child and there is not time to evacuate the other children or if a child is “fleeing” into an unsafe location it may become necessary to restrain the child. The proper method is to approach the child from behind, fold their arms across their chest, and hold their wrists in both hands until they calm down. During the restraint we calmly tell the child, “I am holding you because I will not let you hurt yourself or one of the other kids. I will let you go when you calm down.”

As soon as the situation is under control a parent or guardian will be called.

Child Illnesses & Injuries

Illness

Please call ahead and we will have your child ready. D. Children are required to wash their hands when arriving at the facility.

- Sick children should be separated from the group and made as comfortable as possible.
- The parent/guardian will be called if a child vomits or has a fever above 100 to pick the child up as soon as possible (*within an hour is ideal*).
- If a contagion is discovered at our facility, we will post the issue next to the tablet or laptop where parents clock their children in and out.
- If your child is contagious, they cannot attend our program until 48 hours after the illness subsides.

Child Illnesses & Injuries Cont.

Each Adventure Club child enrolled in our program is insured with a supplemental accident policy. If your child is injured in our care, your child's accident will be covered by our supplemental accident insurance policy. As a supplemental policy, a parent must submit the claim to their primary insurance carrier first. After this has been done, our liability insurance will cover the remaining balance.

If a parent does not have insurance, our claim will be submitted to cover expenses.

Administering Medication

If your child has an Epi-pen, Inhaler, etc., and you feel we need to keep these on hand while in our care, you will need to complete a Medical Consent and give it to the site manager at your child's school site, along with the medication in its original packaging.

Noteworthy Regarding Medicines at The Adventure Club

- Medicine must be labeled with the child's first & last name, amount of medicine in the container, and anticipated time of dosage.
- Short term use = 10 days or less of an over-the-counter medicine requires parent consent only. (*Anything over 10 days requires a new parent permission form or a long term-permission form from a physician.)
- Long term use = 60 days (*Anything over 10 days requires a new parent permission form or a long term-permission form from a physician.) of a prescription medicine requires physician consent.
- Medical consent forms expire every six months and will need to be re-submitted if we need to continue to keep the medicine on site.
- If an authorization expires, the parent will be notified immediately and will be required to complete another consent form or pick up any remaining medication. If medication is not picked up within a 14-day period, The Adventure Club will dispose of the remaining medicine.
- Medicines are kept inside a locked cabinet or a lock box including Epi-pens and Inhalers. (For Epi-pens & inhalers to be kept un-locked, a physician must provide written instructions that it must be readily accessible.) These are accessible by our staff but out of sight and out of reach of our children.

THE ADVENTURE CLUB ~ LATE PICK-UP POLICY

PURPOSE: To maintain the integrity of the program, respect the hours of operation, and consider TAC's employees that have family and/or other obligations to tend to.

POLICY: The Adventure Club Center closes at 6:00 pm and all children are expected to be picked up by this time. If a parent/guardian arrives after 6:00 pm, a late pick-up fee will be charged to the parent/guardian.

NO EXCEPTION POLICY:

If the person responsible for picking up the child is late for ANY reason, ie; flat tire, weather conditions, heavy traffic, leaving work late, etc., a late pick-up fee **WILL BE CHARGED!** This rule makes it less complicated to apply this policy to everyone consistently and fairly with no special regards.

PROCEDURE: If you know you're running late please contact your child's site manager or center director **Before 5:45 pm** to let them know the anticipated time of pick-up.

Calling DOES NOT mean you WON'T be charged a fee!

If a parent/guardian has not contacted the center site manager by 6:05 pm, the protocol below will be followed:

1. The parent/guardian will be called.
2. If the parent/guardian cannot be reached, we will call the child's emergency contacts, and continue to attempt contacting the parent/guardian and emergency contacts until 7 pm.
3. If by 7 pm we're still unable to reach a parent/guardian or an emergency contact, we will then call the local vicinity police department; **Christiansburg** (540) 382-3131, **Radford** (540) 731-3624, or **Blacksburg** (540) 961-1150, and **Child Protective Services** at (800) 552-7096.
4. The staff member who is supervising the remaining child/ren will complete the Late-Pickup Form and the parent/guardian will be asked to sign it. A copy of the signed form will be given to the parent/guardian and a copy will go to our accounting department for processing.

VALID CLOCK OUT TIMES:

Clock out times are monitored by The Adventure Clubs site kiosk time ONLY! Times from other sources will NOT be considered to accommodate a parent's late arrival. No Exceptions!

LATE PICK-UP FEES:

- Clock out time from 6:01 pm to 6:05 pm incurs an automatic \$10.00 fee. From 6:06 pm and after, an additional \$1 per minute will be charged until the child is clocked out of TAC's computer.
- The next business day, the accounts manager will process applicable fees to the parents account ledger and notify the parent by email with a statement of charges attached.
- If the account is set up for autopay, the fee will be processed automatically! Otherwise, payment will be due with your next scheduled tuition payment.
- If late pick-up occurs more than 3 times, a 3-day suspension will be implemented immediately following the 3rd late pick-up. If late pick-up continues, childcare services may be terminated.

 - If the day "starts" with a Code 3, TAC Center will open at 7:30 am and close at 5:30 pm unless otherwise noted. This is to ensure sidewalks and parking lots are passable and staff can get home within reasonable daylight hours due to dangerous driving conditions.
- ❖ **MCPS CODE 4 = mandatory closing of "all school programs" due to severe weather conditions:**
 - If you need care on a Code 4 day, please call us right away at: (540) 382-3783 to check on the status of availability at our Adventure Club Center.

ADD-ON DAY FEES:

Children enrolled full time and in attendance at Adventure Club will be subject to an add-on day fee of \$30 per child, each day. If care is needed for a child NOT enrolled weekly in Adventure Club, enrollment will be processed at the rate of \$60/day/child (*Registration fees apply*).
